

WE PROVIDE THE FOLLOWING SERVICES:

## Unlocking The Unlisted Shares

*A share trading facility for companies that have been de-listed from LSE, AIM, NEX Exchange Growth Market or companies that have raised finance via crowd-funding and EIS schemes.*

BENEFICIAL FOR:

### Companies

*Obtain market valuations of your unlisted shares. Communicate with your shareholders and provide liquidity for your shares.*

### Shareholders & Employees

*Sell your shares in unlisted companies.  
Contact us if you would like to see your Company on our Platform.*

### Investors

*Access to a range of off-market companies in different stages of development. Diversify your portfolio via an easy process.*

## To Get Free Working Capital
